Scholarship Availability Announcement and Submission Guideline

The **Platinum Torch National Service Honorary**, an independent, non-profit organization founded to encourage, recognize, and validate the volunteer efforts of students living and volunteering in America, is proud to announce the availability of scholarship funding for the 2010/11 college school year. The purpose of the scholarship(s) is to assist student volunteers registered with the **Platinum Torch**, in continuing their education and further pursuing their life interests. ***To be eligible you must be registered with the Platinum Torch and at least a member at the Silver Level.*** If you have previously been awarded a scholarship, you must wait two years to apply again.

For the 2010/11 academic year, three scholarships valued at \$500.00 each will be awarded; however, we may, at our discretion, grant awards of any number and size. We require that scholarships be used for tuition at universities, colleges, junior colleges, or vocational schools. You must be a high school senior (public or private school) or a college student at a university, college, junior college, or a vocational school.
